Follow picture 1: Pay attention to the M90-plate, magnet direction points to the front for part 99207004-002.

To mount nut/washer to the axle sleeve fasten to a torque of 40 Nm [354 in-lbs].

For the right-hand side of the chair follow steps 7-8.

Pay attention to mount the M90-plate pointing to the rear for part 99207004-001.

See picture 2.

Mount the M90 wheels and check, if the quick release axle fits tight in the axle sleeve.

Adjust if necessary and check again.

Check positioning and functionality of the wheel locks.

Adjust wheel locks if necessary and check again.

DEALER/TECHNICIAN WARNING

8

Attention dealers and qualified technicians, do not operate or service this device without first reading the owners manual. If you do not understand the instructions and warnings in the owners manual please contact the Sunrise Medical Technical Service Department before operating and/or servicing the Empulse device. Failure to do so may result in damage and/or injury.
